HOW FINISHES ARE CODED

Laminate and paint codes are added to the end of a product code. A grouping such as CD-VSS3066-G-MI takes the paint code first, then the laminate code.

Fabric and finish colours may vary in catalogue reproduction and dye lot.

ACCENT FABRIC OPTIONS

Colour	Pedestal cushion	Hutch tackboard	Task seat pocket	Training seat pocket

Potenza desk series

U-SHAPED BOW FRONT DESK · CD-P108-BDG

Our most versatile, elegant and design-led series, built to the highest quality standards in the industry.

01 Soft-closing drawers and hinges

02 Finished, matching drawer interiors

03 Silk-print ultra-clear tempered glass

04 Inside-curve desks, bridges and returns

05 Low-glare thermally fused laminate with a matching 3 mm PVC edge

06 Board density of 0.6–0.7 g/cm³, the highest TFL/LPL level in the industry

07 CARB Phase II and TSCA Title VI compliant

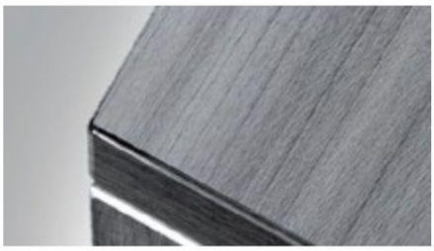

Full-extension ball-bearing slides with soft-close drawers and an adjustable hanging system for letter and legal filing.

Aluminium paint grommets with brush access, standard on all surfaces and hutches.

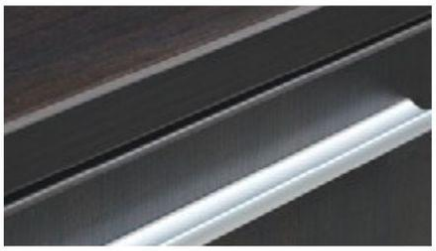

White silk-print ultra-clear glass accents.

Grey underline below all surfaces.

Adjustable glides, standard on all support panels.

Standard deluxe 8″ flat-profile aluminium pulls.

WORKSPACE SYSTEMS · POTENZA RECEPTION

Reception desks and add-ons

Conversions are available in all laminates, customisable for your office, with wire management and pigeon-hole organisation.

The Potenza reception add-ons take an elegant classic to a new level with the ability to create your own design. Each desk can be ordered as a single reception or as a desk with add-on conversions, with left or right hand returns.

Laminate doors are also available on all credenzas. Wood grain may not align between panels, doors and tops.

WORKSPACE SYSTEMS · POTENZA CONFERENCE

Potenza executive conference table

Shown: 14′ table, CD-12048CT-G with 4′ extension CD-4848CTE-G and Zetti mid back chairs. All conference tables are listed on page 07.

Built for the boardroom

01 Cable management below the surface and through all legs

02 Premium 3 mm PVC edge with matching wood-like grain

03 Legs detailed with a cast aluminium edge

04 Rounded corners for protection

05 Matching aluminium access covers

06 4′ extensions can be installed in series

Power data module

CD-PDM-S2

An aluminium power and data module with an easy connection solution. Modules connect in series and need no configuration or software.

Unit configuration	Included accessories
1× RJ-45 and 1× RJ-11	1× 2.7 m module-to-module power cable
1× HDMI (no VGA port)	1× 6 m power cable with Indian 3-pin plug (IS 1293)
1× dual USB port and charger	4× 15 mm screws
2× 6/16 A universal sockets, 230 V 50 Hz (IS 1293)	6× wire management clips
1× on/off switch with surge protection	2× additional blank RJ-45 plates

WORKSPACE SYSTEMS · VELOCE

Veloce benching system

Veloce is easy to specify, move, install, take apart, reconfigure and re-assemble. It is durable, sturdy, open and modern.

Veloce supports collaboration within an open space while providing some privacy. Its generous wire management handles voice, data and electrical, and the system is available in many configurations and sizes.

Shown: 1× CD-VDS3066-N · 1× CD-VDS3066-AE-N · 3× CD-VFR3672-B · 4× CD-VBBFMB-G-B · 2× CD-VAD60. Chairs sold separately.

Single and double stations

Single station	D × W × H in
CD-VSS2448	24 × 48 × 29
CD-VSS2460	24 × 60 × 29
CD-VSS2466	24 × 66 × 29

DESIGNO SEATING · 02

Designo seating

Every chair in our seating range is certified to BIFMA X5.4 for occupants with a body mass of up to 275 lbs, and is backed by a 10-year limited warranty. We select each component for comfort, durability and long-term performance.

- Moulded foam with open-cell technology preserves comfort over time
- Our bonded leather does not crack, peel or discolour, and is made to sustain high humidity
- Triple-polished arms and frames with a flawless finish
- Polished cast aluminium for long-term performance
- Mechanisms, cylinders and casters among the most durable in the industry
- Casters on aluminium bases carry rubber tips that remove knocking and clicking noise
- Exceeds ANSI/BIFMA standards

Seating at a glance

Shown in one finish. Leather executive chairs are available in black (B), sand (S), grey (G) and white (W).
